1 **Recitals**

2 As a part of the Capital Budget for the fiscal year ending June 30, 2006, it is necessary that
3 Howard County, Maryland borrow a sum not exceeding \$800,000 to be used for certain County recreation
4 and parks and general county capital projects specified in the County's Capital Budget for the fiscal year
5 ending June 30, 2006, and more particularly described in Appendix A to this bond enabling law and for
6 payment of costs of issuance of any obligations issued to evidence such borrowing.

7 **Now therefore, in accordance with the provisions of Article VI of the Charter of Howard**
8 **County:**

9 **Section 1. Be it enacted by the County Council of Howard County, Maryland,** That Howard
10 County, Maryland (the "County"), is hereby authorized and empowered to borrow on its full faith and credit,
11 and issue and sell its bonds therefor, at one time or from time to time, an amount not exceeding \$800,000, the
12 proceeds thereof to be used for the capital projects (each, a "Project") more particularly specified and
13 described in Appendix A hereto and in the County's Capital Budget for the fiscal year ending June 30, 2006;
14 including for each capital project, without limitation, the cost of planning, design, construction,
15 reconstruction, furnishing, equipping, improvements, renovations, remodeling, enlargements, engineering
16 services, architects services, surveys, landscaping, site development, evaluation studies, land acquisition and
17 related items, appurtenances and incidental activities. The Projects, and the amount to be borrowed for each,
18 are more specifically identified and described in Appendix A hereto.

19 Proceeds of any bonds authorized by this Act may also be used to pay costs of issuance of such
20 bonds.

21 **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**
22 That, pursuant to and in accordance with Article 31, Section 12 of the Annotated Code of Maryland, as
23 amended, the County is also authorized to issue bond anticipation notes in anticipation of the issuance of the
24 bonds authorized by this Act and described in Section 1 hereof, and all references to "bonds" or "obligations"
25 in this Act shall include such bond anticipation notes, unless the context clearly requires a contrary meaning.

1 It is intended that the aggregate principal amount of issued and outstanding bond anticipation notes when
2 added to the aggregate principal amount of issued and outstanding bonds in anticipation of which such notes
3 were issued, shall not exceed the aggregate principal amount set forth in Section 1 of this Act at any time.
4 The County will agree in each ordinance described in Section 4 of this Act relating to any notes issued
5 pursuant to this Act to pay such notes and the interest and premium, if any, thereon from the proceeds of the
6 bonds in anticipation of the sale of which such notes are issued, and the County will agree to issue such bonds
7 when, and as soon as, the reason for deferring their issuance no longer exists.

8 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

9 That, in connection with the acquisition of real property as part of a Project, the County may incur all or any
10 portion of the indebtedness authorized by this Act for such acquisition by entering into an installment
11 purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County Code
12 ("Section 4.201A") or any successor provisions of law in lieu of issuing bonds for such acquisition. The
13 principal amount of any such installment purchase agreement shall not exceed the lesser of (a) the maximum
14 principal amount permitted by Section 4.201A or (b) the portion of the amount to be borrowed for such
15 Project (as set forth in Section 1 hereof) which relates to such acquisition. All references to "bonds" or
16 "obligations" in this Act shall include such installment purchase agreements, unless the context clearly
17 requires a contrary meaning.

18 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

19 That the County Council of Howard County, by an ordinance or ordinances adopted from time to time in
20 accordance with Article VI of the Charter of Howard County and other applicable provisions of law, shall
21 provide for (a) the issuance and sale of, (b) the designation, form, tenor, denomination or denominations and
22 maturities (not exceeding twenty-five years) of, and (c) the interest rate or rates per annum (or the method of
23 determining such rate or rates) payable on, any bonds or other obligations issued from time to time under this
24 Act; and may by any such ordinance, or by separate resolution, provide that the issue of bonds or other
25 obligations hereby authorized be consolidated with one or more other issues as provided in Article 31,

1 Section 2C of the Annotated Code of Maryland, as amended, and any successor provision of law.

2 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

3 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same
4 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon the
5 assessable property in Howard County sufficient, together with other available funds, to pay the principal of
6 and interest on such bonds or other obligations until all of such bonds or other obligations shall mature and be
7 redeemed.

8 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

9 That any bonds or other obligations issued from time to time under this Act are specifically exempt from the
10 provisions of Article 31, Sections 10 and 11 of the Annotated Code of Maryland, as amended, and any
11 successor provision of law.

12 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

13 That all bonds or other obligations authorized hereby shall be issued within four years from the date this Act
14 becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such period in
15 accordance with Section 2 hereof and such notes have a stated maturity date after such expiration date, the
16 bonds authorized hereby may be issued until the stated maturity date of such notes.

17 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**

18 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to the
19 issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will depend
20 on various factors, including, without limitation, the timing and speed of progress on the Projects, the
21 availability of other funds to pay such costs on an interim basis, bond and money market conditions and
22 compliance with federal and State laws and regulations.

23 Accordingly, the County reasonably expects to reimburse costs of the Projects (as described herein)
24 with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations to be
25 issued by the County in the maximum principal amount of \$800,000.

- 1 **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**
2 That this Act shall take effect sixty-one (61) days after its enactment.
